**Location: Historical Building
Grounds. (next to the
Common Grounds
coffeehouse)**

Greetings to all of our fabulous Longville Lakes Arts Members! We have had our Summer and are enjoying, so far, a gorgeous Fall. We want to invite you, first, to our concluding activities for the season.....our Famous "Wine and Cheese" celebration at the "Gallery of New Creations & Antiques too"... Co-sponsored by the Gallery. Julia Jones will be there to demonstrate her art. Will be great fun. Look forward to seeing you there!!!! 4-7pm, Thursday, Sept. 17th. Actually that event is the kickoff for "Fall has It All" in Longville!!

Next, on Saturday, the 19th, Longville has its fabulous Oktoberfest. LLAA again will have our wonderful craftsmen exhibiting on the grounds of the Historical Bldg. along with live music on the stage. Come visit us and patronize our artists and crafters.

We have 6 of our local artists exhibiting their work at local retailers throughout "Fall Has It All" (Sept 17- Oct 3)...Steve Reiter at the Common Grounds, Julia Jones and Carol Vind at the Gallery of New Creations, Jennifer Tepley at Studio 5, Tom Kutschied at North Pines Interiors and Norma Jansen at First National Bank !!!

Our Big Mardi Gras Festival held July 18th was wonderful. For being the first time in executing something of this magnitude...we are very pleased. Those of you who joined us, I'm sure you were impressed!!!

We are currently meeting and planning our future. Lots of exciting things in the works. We have great ideas for the teaching studio, organizing our instructors, featuring our artists at locations around town regularly, providing space for our artists and crafters to get together and "create", etc. etc.

Just recently we received our new organization status and became a private non-profit 501(c)3. We are still learning & growing as an organization. But, we have strong beliefs in our ability to survive and contribute!!! Our Board is great, Anne Broshar, our Chair and Co-President, is relentless in her ambition and enthusiasm. Hard working and dedicated are Co-President Pat Boen, Directors Tony Ozark and Dennis Zuelke, Web Design, brochures, E-news by Carol Kelly and our Treasurer Barb Anderson is a wonderful addition. We are very fortunate, indeed. We need your support, emotionally and financially. Come join us on Thursday at the Gallery to hear more!
